Amdt. dated January 9, 2006

Reply to Office action of December 7, 2005

Remarks/Arguments:

Reconsideration of the application is requested.

Claims 1 and 4-16 remain in the application. Claims 1 and 4-8 have been amended. Claims 2 and 3 are being cancelled herewith. Claims 9-16 have been withdrawn from consideration.

The proper status identifier has been added to claim 7. Accordingly, all the claims have a proper status identifier. The remarks from the response filed on November 14, 2005 are incorporated herewith.

In the event the Examiner should still find any of the claims to be unpatentable, counsel respectfully requests a telephone call so that, if possible, patentable language can be worked out.

If an extension of time for this paper is required, petition for extension is herewith made.
